ENTERTAINMENTS.

Bishop Gailor's Reception.

The reception tendered Bishop Thomas F. Gailor by the ladies of St. Peter's Church at the Columbia Institute Monday night, was a most enjoyable function. The large number of guests were received in the spacious parlors, which were beautifully decorated in various-colored flowers and foliage, after which they were ushered into the dining room, where an elegant menu was served. The guests were received by the vestrymen of St. Peter's church and their wives, who acted their parts most gracefully. The reception was a public one, a number of members from the various denominations attending.

The annual hop given by the senior class of the Columbia Institute Friday evening was a most delightful affair, and was attended by a large number of guests. For several hours the mirth and enjoyment ran high, and it was with reluctance that the happy party dispersed. The young ladies of the graduating class who live at a distance, will leave for their homes next week after the commencement exercises. They have made many friends during their stay here, and their departure will be much regretted.

Mrs. Lelia P. Soper entertained very prettily Tuesday afternoon from four to six o'clock, complimentary to her visitor, Mrs. Joseph Ready West of Nashville. The reception rooms were prettily decorated in water lilies, and Mrs. Soper received with her usual cordial and charming manner. Although the weather was very inclement the large rooms were well filled with guests. Delicious frappe was served in the rear parlor by Misses Cornelia Jones and Louise Woldridge.

Mrs. Frank Everett entertained the following ladies at a beautifully appointed and delicious dining Wednesday: Mrs. George Everett, Tullahoma, Mrs. Lelia Soper, Mrs. Joseph R. West, Nashville, Mrs. Joe Brownlow and her guests, Mrs. Lova and Mrs. Wilson, and Mrs. E. F. Everett.

RELIGIOUS NEWS.

In the absence of the pastor, the pulpit of the South Columbia Methodist church was occupied Sunday morning by Mr. John Padgett, this being his first sermon. In the evening, Rev. J. H. Dinning, of Mt. Pleasant, delivered an interesting and instructive discourse. Mr. Dinning is a forcible speaker, and promises to make a bright success in the ministry.

Rev. T. J. Hardin, of Spring Hill, preached at the First Presbyterian church in this city Sunday morning, the subject of his discourse being, "The Doctrine of Election." In the afternoon he went to Mt. Pleasant, where he preached the commencement sermon of Hay Long College that night in the Presbyterian church at that place.

Rev. Baker P. Lee preached at the Chapel of the advent Sunday night.

Bishop Gailor's Services.

Bishop Thomas F. Gailor delivered the baccalaureate sermon to the graduating class of the Columbia Institute at St. Peter's Episcopal church Sunday morning. The subject of his sermon was "Discipline, Liberty and Education," and his discourse was, as usual, a strong and eloquent one, and was listened to with intense interest by those in attendance.

Bishop Gailor went to Mt. Pleasant in the afternoon, where he held services at 5 o'clock.

South Columbia Church Workers.

An interesting meeting of the Church Workers was held in the South Columbia Methodist church Monday night. A report was received from the Treasurer, showing that since the organization of this society in March, 1896, there has been collected and disbursed \$789, and that the debt on the parsonage has been entirely cancelled. Of the \$789 collected by the Workers, \$300 was paid in by the members in monthly dues of ten cents each, the balance being collected from various sources. At the organization of the society there were 24 members, which has grown until now the roll contains more than 100. The purpose for which the society was organized—that is, the paying off of the parsonage debt—having now been fulfilled, it will continue its work, and use its proceeds for any necessary repairs or additions that may be needed for the parsonage or church. Mr. W. D. Cameron, President, and John H. Thomas, Secretary, who have served continually since the society was organized, deserve much credit for the work that has been accomplished.
